

Do YOU have the power the make a kid's superhero dream come true?

OUR STORY

Camp Sunrise is the only camp in Ohio for youth ages 6–17 touched by HIV/AIDS. Our free camp is a safe space for kids facing illness, caretaking or grieving a loved one. Every year, we pick a theme to inspire our week's worth of fun for our amazing campers. This summer, we're celebrating the superheroes in each of us!

YOUR MISSION

Campers will describe their superhero alter-ego – a name, a power, a cause and a color – and professional designers will volunteer time and talent to turn the kids' ideas into a 4" x 6" image or logo. It can be as simple as the bat symbol or Superman's "S" or a full head-to-toe cartoon figure!

THE TIME FRAME

Wednesday, August 10	Campers submit their superhero ideas Designers are partnered with campers
Thursday, August 11	Designers go to work
Friday, August 12	Designers send their PDF images by 10 am
Friday August 12	Campers are presented with framed versions of their superheroes at the closing campfire
