

StartupMiamiOH

Internship Program

Miami University – Oxford, OH

Placing students of all years and majors in **paid** internships at startups in Cincinnati, Chicago, Denver, and San Francisco

What Kinds of Companies?

- » Seed → Series B
- » 5 to 500+ employees
- » Product in market, some traction
- » Interesting and impactful problems to solve but no time, resources, or set of directions to do it
- » Ability to provide \$10-\$18/hour compensation

We recruit all majors – which means our students can fill any role

Content Marketing
Programming
Design

Financial Analysis
Data science
HR/Ops

What Kinds of students?

“No other opportunity on campus offers the excitement of working in a startup with the structure and support of the faculty and cohort model”

Why Apply? (The Perks)

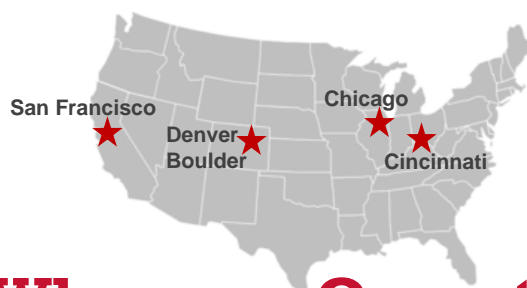

- 3** hours of course credit

Paid work experience + living stipend

Exposure to the hottest growth companies and big names in tech
